

Why Sponsor?

We anticipate over 250 participants from region to attend.

Through a symposium sponsorship, your company will gain direct access to all professions and the community.

Sponsorships are designed to help you increase your brand recognition by engaging and networking with HPN attendees. Whether you are seeking new business, or growing your partnership with key clients, HPN sponsorship is your chance to leverage valuable opportunities.

There are many benefits to being a sponsor – all providing maximum return on your investment. For further inquiries please contact **Rhea** at info@hawaiineuroscience.com or call 808-564-6142
