

Hawai'i Neuroscience Research Summer Internship Program (SIP)

2019 Intern Orientation & Award Recognition

June 14th 2019 5PM

Neuroscience Conference Center

Clinical Research Center

Hawaii Pacific Neuroscience

2230 Liliha Street #104, Honolulu, HAWAII 96817

Key Note Address: Future of Research in Small Institutions in US

Dominic Chow, MD, PhD, MPH

Professor of Medicine, UH John Burns School of Medicine

Guest of Honor and Presentation of Awards

Lawrence Burgess, MD, Professor and Director

Office of Student Affairs, UH John Burns School of Medicine

Hawai'i Pacific Neuroscience Clinical Research Center is pleased to recognize the following students for their scholastic excellence, work and interest in neuroscience. The scholarships and research are to develop and sustain these high-quality endeavors, and/or to encourage Hawai'i students to expand their knowledge of neuroscience and research and consider them as a component of their future medical career.

*** 2019 Neuroscience Achievement Research Scholarship Recipient ** 2019 Neuroscience Achievement Patient Advocacy Scholarship Recipient**

Randomized, Double-blind, Placebo-controlled, Parallel Group Study to Evaluate CNP520 in Presymptomatic Homozygotes ApoE4 at risk Alzheimer's Patients with positive CSF Amyloid & Tau

Julie Crocker, Medical Student, University of Hawai'i John Burns School of Medicine**

Bryce Kalei Chang, Medical Student, University of Hawai'i John Burns School of Medicine**

Laboratory: Alzheimer's Research Unit in collaboration with Memory Disorders Center

Investigating Phenotypic and Clinical Presentations of Neurodegenerative Diseases across Different Ethnic Groups in Hawaii

Maiya Smith, Medical Student, University of Hawai'i John Burns School of Medicine**

Laboratory: Parkinson's Research Unit in collaboration with Parkinson's & Neurodegenerative Dis & DBS Ctr

Investigating Dose-Ranging Study of Staccato® Alprazolam in Predictable Seizure Pattern in Video EEG Epilepsy Monitoring Unit

William Harris, Medical Student, University of Hawai'i John Burns School of Medicine*

Grant Yoneoka, Medical Student, University of Hawai'i John Burns School of Medicine*

Laboratory: Epilepsy Research Unit in collaboration with Video-EEG Epilepsy Monitoring Unit & Comprehensive Epilepsy Center

2019 Hawaii Neuroscience SIP Interns & Their Schools

University of Hawai'i John Burns School of Medicine: Julie Crocker, Maiya Smith, **University of Hawaii at Manoa:** Ariel Chong, Nicholas Van, Nicolas Regaspi, Anika Trotman, Keahonui Kam, Huanli Hu, **Johns Hopkins University** Carol Lu, **Stanford University** Sierra Burgon, **UC Berkeley** Janette Keola, **Yale University** Ryan Ogasawara, **Columbia University** Maveric Abella, **Duke University** Joo Hyun (Emily) Kang, **University of Notre Dame** Samantha Masca, **UCLA** Jessica Huang, **PNWU of Health Sciences** Alyssa Wicknick, **Colby College** Max Siegman, **University of Caen, FRANCE** Juliette Capitaine, **University of Louisville** Madison Meister, **Virginia Commonwealth University** Nicholas Hooper, **University of Portland** Abigail Mahoe, **Santa Clara University** Caroline (Ellie) Feng, **Boston University** Shu Yi Shi, **University of Washington** Kylee-Ann Tawara, **Arizona State University** Joseph Among, **University of Oregon** Lauren Pak, **Ursinus College** Allysen Henriksen, **Creighton University** Kevin Nguyen, Chirstyn Okuno, **Cal Poly, San Luis Obispo** Bryce Sakata, **DePaul University** Cathelin Huang, **Chaminade University** Burgos, Camille, Spencer Ng, Kacie Oyadomari, Lauren Takasato
