

MAHALO to you – Hawaii 1 of 2 sites selected Nationally along with Mayo Clinic, Rochester to be Highlighted at 2025 Toronto AAIC Alzheimer's Meeting July 2025

MAHALO to the many specialists, researchers, patients, caregivers, referring physicians and community partners, Alzheimer's clinical and research work in Hawaii has been selected to be highlighted at the 2025 AAIC (Alzheimer's Association International Conference) ALZ NET meeting, the world's largest Alzheimer's meeting in Toronto, CANADA on 26th July 2025.

[Hawaii Memory Disorders Center](#) & [Alzheimer's Research Unit](#) will be 1 of 2 sites nationally selected to be highlighted along with Mayo Clinic, Rochester, as a site with exemplary data submission to share our best practices, challenges & insights so other sites may learn from Hawaii.

“Our Hawaii patients, caregivers, families, neurologists, researchers, referring and partnering physicians are honored to be selected nationally to be featured at the 2025 Toronto AAIC Meeting. So many people have contributed to our success here in Hawaii including so many of my wonderful colleagues in Hawaii, collaborating international research agencies, sponsors and partners who generously supported us so we can focus on bringing the best Alzheimer's care and research to our precious ohana in Hawaii & Pacific Regions. MAHALO NUI LOA!”
