

KORE KAI LIOW, MD

Founder and Neuroscience Chair
Hawai'i Pacific Neuroscience

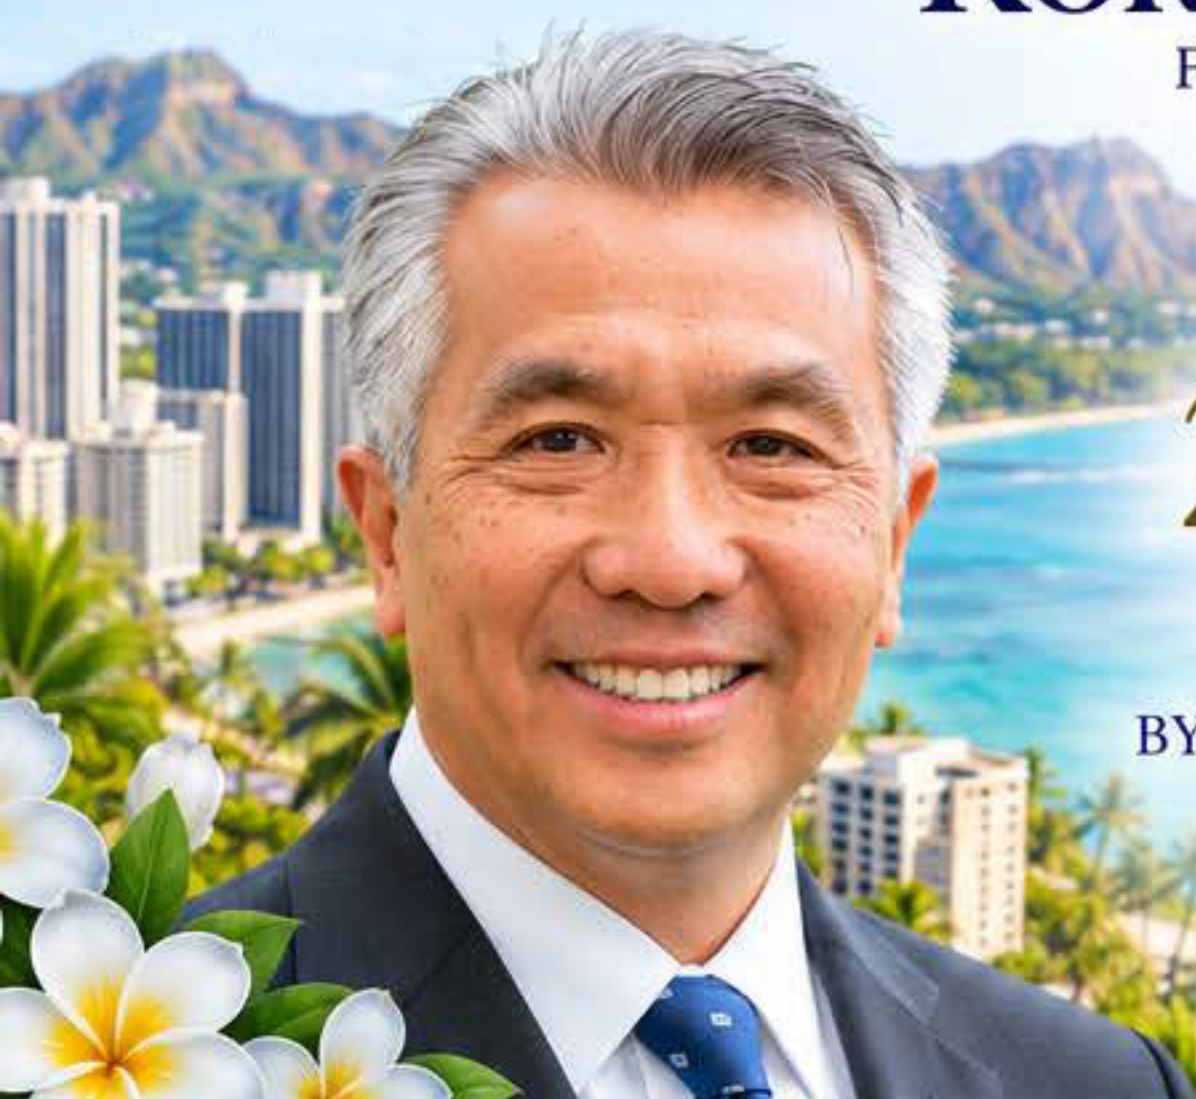

NAMED THE

2026 PHYSICIAN OF THE YEAR

BY THE HAWAI'I MEDICAL ASSOCIATION

AWARD PRESENTED BY

GOVERNOR JOSH GREEN, MD
STATE OF HAWAI'I

HONOLULU, HAWAI'I — Hawai'i Pacific Neuroscience proudly celebrates **Kore Kai Liow, MD**, Founder and Neuroscience Chair, on being honored as the 2026 Physician of the Year by the Hawai'i Medical Association (HMA), with the award presented by Governor Josh Green, MD.

This distinguished honor recognizes Dr. Liow's exceptional contributions to patient care, neuroscience research, medical education, and service to the people of Hawai'i.

Dr. Liow has expanded access to specialized neurological care, brought more than 200 innovative neuroscience research therapies and clinical trials to Hawai'i, and devoted himself to mentoring the next generation of physicians and scientists. His commitment to reducing health disparities among minority and underserved populations was formally recognized by the Hawai'i State Legislature in 2024.

EXCEPTIONAL PATIENT CARE

Expanded access to specialized neurological care for all, including underserved and minority communities in Hawai'i.

ADVANCING NEUROSCIENCE

Brought more than 200 innovative neuroscience research therapies and clinical trials to Hawai'i.

EDUCATION AND MENTORSHIP

Guided hundreds of medical students, residents, fellows, physicians, and researchers, including through the BRAIN (Bridging Research And Innovation in Neuroscience) program.

SERVICE TO THE COMMUNITY

Champion for reducing health disparities in neurological care, formally recognized by the Hawai'i State Legislature in 2024.

“Medicine is ultimately about people—caring for patients, serving our community, and creating opportunities for the next generation. I am deeply humbled by this recognition and grateful to everyone who has shared this journey with me.”

— Kore Kai Liow, MD
